## THE TEXT

- 1- Everyone knows Rowan Atkinson, or Mr Bean. He is the youngest of three boys born into a wealthy farming family in the north-east of England.
- 2- When he was at school, Rowan Atkinson was the quiet child at the back of the class who participated very little. He wasn't good at sport and he certainly wasn't popular. The other children teased him about his face and eyes. Then, one day after games, he stood up in the changing-room and began imitating one of the teachers. "I remember making them laugh," says Atkinson. "I discovered I could do something well. After that, performing became very important to me. It was the thing I could do. It gave me a role within the school."
- 3- Atkinson is now 48. He is regarded as one of the most inventive and talented comics of his time. He starred in the series of *Blackadder* and in *Mr Bean*.
- 4- "The reason I enjoy playing Mr Bean so much is because you can say and do things that you would never be able to do in your normal life. Besides, people don't enjoy me as me. They enjoy me as Mr Bean. They enjoy me as Blackadder."
- 5- Rowan Atkinson has a great passion for cars. Today, he has a number of fast, expensive cars at his home.
