LISTENING:

It is Sunday morning. It's a holiday and it is warm and sunny. The Wilson family are busy. They got up early and prepared themselves to go to the countryside on a picnic. The family had lunch, took some photos and enjoyed themselves in the countryside. At three pm, Mr. Wilson said to the family: "It is time to go back to the house." But Mary jumped and said: "It's still early dad. The weather is still nice I don't want to go back home now." "ok my dear. Let's go to the zoo in the city center." said her father "Great. I want to see the animals. They are wonderful." Said Mary.
