THE TEXT

[1] It was the last day of school and everyone was excited. The teacher, Mrs Smith, had a surprise for the students. She suggested taking them on a trip! The students were so excited and could not sit calmly. They were singing and dancing. Mrs Smith asked them to calm down. She explained they were going to the zoo. Everyone cheered and shouted with excitement.

[2] When they arrived at the zoo, the students were amazed. They had so much to see and do. They saw many animals. They even fed some of them. Later, they had a picnic lunch. They had a great time. When it was time to go back to school, they felt sad. Mrs Smith said she would miss them all.

[3] On the way back to school, they talked about their favourite parts of the day and were pleased with all the funny things they saw and did. At school, everyone said their goodbyes. They hugged Mrs Smith and thanked her for the wonderful and unforgettable day.
